Dear Mr Moinard,

Thank you for reaching out.

You can find all the publicly available information on the case here: [Trade defence investigations - Case R831: Ceramic Tableware and Kitchenware](#).

Kind regards,

Ana de la Fuente Gil

Subject: Letter of objection / anti-dumping tableware

Dear Sir or Madam,

My law firm has received this document, which was published yesterday.

Is this a working document ?

And is it a proposal to amend the anti-dumping duty that your department will submit to the Council and the European Parliament for adoption and final publication in the OJEU ?

Thank you in advance for your comments.

Best regards
